Al Maarefah Parking Car Washing

# Why **Carwash** business in UAE

The United Arab Emirates (UAE) is a hub for luxury cars, and it can be said that the growing number of vehicles in the Emirates has made it a growing market for car wash. With growth, we mean there is an increase in demand for car wash. So, as cars are the king of the UAE.

Today's busy life style has turn time into rare commodity, Cleaning a car takes a while & since car-owners simply do not have time to spare, their only option is to seek the convenience of having somebody else do the task for them.

# Profile

AMC carwash provide services at car parkings ,business buildings , Residential areas ,Hospitals etc in UAE.
